## General Information

|                          |                                                  |
|--------------------------|--------------------------------------------------|
| SKU                      | 245662                                           |
| EAN                      | 4751029890443                                    |
| Manufacturer Code        | 02007                                            |
| Brand                    | THORGEON                                         |
| Manufacturer Name        | PIR Motion Sensor 6m max800W IP20 white THORGEON |
| Full box quantity        | 50                                               |
| Any Lamp all-in warranty | 2 Years                                          |

## Technical Information

|                       |                    |
|-----------------------|--------------------|
| Average Lifetime (h)  | 0                  |
| IP-Rating             | IP20               |
| Emergency Lighting    | No Emergency Unit  |
| Mounting Method       | Recessed           |
| Housing               | Thermoplastic      |
| Product Type Category | Accessory - Sensor |

## Dimensions

|               |    |
|---------------|----|
| Height (mm)   | 76 |
| Diameter (mm) | 76 |

## Sensor Information

---

|                                 |                |
|---------------------------------|----------------|
| Type of sensor                  | Motion Sensor  |
| Sensor Reach (m)                | 6m             |
| Sensor Detection Angle (degree) | 360            |
| Sensor Time Setting             | 10 sec - 7 min |

## Why Any-lamp?

Order from the **largest lighting specialist** in Europe

**Customised** quotation

Up to **7 years warranty**

**Easy** return process
